

Another great after school art class!

ReciclArte! – With artist & Spanish instructor Penelope Cuyar

Thursdays, September 2 – October 7, from 3:15–5:00 p.m.

This is a fabulous 6–week puppet–making class that will be conducted mostly in Spanish. Students will first construct a puppet friend from recycled materials, then create scenery for a play. Their effort and creativity culminates with a spectacular performance – all while expanding and practicing Spanish vocabulary!
